Dear Parents,

I am writing to thank you for all the hard work you put in to help prepare our Michaelmas Ball. It was wonderful to see so many parents and friends in attendance and all having such a lovely time. **Every detail was perfect!**

As always, these occasions are not just about raising money, although the £4,000 plus is a phenomenal amount, but there is a rare value in bringing the School together for such a special and enjoyable occasion.

I will be meeting with the staff group shortly to discuss how the extra funds might be deployed and I know that they would like to add their thanks also for all you efforts.

With very best wishes and huge thanks,

Yours sincerely,

Mrs Kathryn Bates  
Head Teacher
