

Year 9 Curriculum Structure
 'Opportunity, success and enjoyment for all'

**At Radyr we run 2-week timetable of 50 periods.
 Below you will find the number of periods per fortnight for each subject**

- In Year 9, there are 2 learning pathways that students can pursue.
- The first involves students picking up a second modern foreign language (German). Students with an aptitude for languages will be selected for this pathway.
- The second involves students picking up Key Skills, which is a course that focuses on communication and ICT.
